Resort Information

Nendaz sits on a terrace at 1400m overlooking the Rhone Valley and is the largest of the resorts which link in to the Verbier ski area. Now with over 17,000 beds the modern holiday resort of Nendaz has grown up all around the centre of this delightful old Valais village with its traditional timber houses, barns and grain stores. There is an impressive view across the valley to the Bernese, Valais and Vaud Alps beyond.

With a good selection of shops, restaurants, bars and night venues, Nendaz has something to offer to all the family.

Getting there

Nendaz is just 1 hour 45 minutes from Geneva airport, Nendaz and only 20 minutes from Sion airport which has flights in the winter. This is the fastest transfer time in the Alps.

Nendaz is easily accessed by motorway and this makes it a good choice if you are looking for a resort you could visit for a long weekend but there is enough skiing to keep you busy for weeks.

Over 410km of pistes and glacier skiing

Winter

Nendaz is at the heart of 'Les 4 Vallées' ski region which includes the resorts of Verbier, Veysonnaz, La Tzoumaz and Les Collons. This is the largest ski area in Switzerland with 92 lifts and 412km of pistes. Verbier has some of the best, most extensive and varied off-piste in the world. There are some excellent nursery slopes for beginners on the frozen lake at Tracouet high above Nendaz at 2200m. A snow garden and specially adapted lifts allow children

and beginners to discover the joys of skiing in a fun way and a nursery welcomes children from 18 months. There are many other winter activities in Nendaz including ice skating, hockey and curling at the resort's ice rink and an Ice Disco in the evenings. There are also 12km of cross-country ski trails, 100km of winter hiking trails and 40km of snowshoe tracks.

Plenty to do in all seasons

Summer

Around Nendaz there are over 250km of hiking trails, a network of paths running from the orchards in the valley up to the high alps. A particular highlight is the excursion by cableway or mountain bike to the glacier terrain on Mont Fort, with its expansive view of over twenty 4,000m

peaks, including the Matterhorn and Mont Blanc. There are numerous activities including swimming, tennis, ice skating, beach volleyball, and fishing. For the more adventurous there is also canyoning, paragliding and climbing available.

Year-round golf

Golf

There are several golf courses in the region including a good 18 hole course in Sion, just 20 minutes away. Crans Montana boasts two splendid courses. The Golf Club Crans-sur-Sierre was established in 1906 and the Severiano Ballesteros course is the home of the prestigious Omega European Masters. The Jack Nicklaus course has been voted as the best 9 holes in Switzerland. Although the course is relatively short it is challenging even for experts and players must be very precise on the fairways. Just outside Crans is the Noas Golf Course, a 9-hole course which is open to everyone, with or without a handicap. Open year-round (even in the ski season), and no reservation is required.
